

New Fast Daily Flights from London City to Cornwall

Cornwall is extremely well connected, and served by numerous scheduled flights. In total there are 11 flights from/to London every weekday, plus a number from other destinations.

Daily flights from Cornwall Newquay airport connect with 3 London airports: Gatwick; Stansted, and now City. Flight times are normally less than an hour.

These airports in turn connect to virtually the whole of Europe and most major countries worldwide.

The newest connections are two flights per weekday straight into the heart of London at **City Airport** alongside the Thames.

London Gatwick – Seven flights a day.
